Co Chair: Dr Nikunja Bihari Barik , VIT-AP University		Click here to join the meeting
Paper ID	Name of the Participant & Address	Title
ICAFD - P053	Sanjay Kumar Mohanty VIT, Vellore	<i>Nonlinear equation for wave motion with undulated bottom</i>
ICAFD - P054	R. VijayaKumar Annamalai University, Annamalaiagar	<i>Physiological lubrication in synovial joints with electromagnetohydro dynamics</i>
ICAFD - P055	Sangapatnam Suneetha Yogi Vemana University, Kadapa	<i>Analysis of Arrhenius chemical reaction and non-linear radiant Williamson fluid model wedge</i>
ICAFD - P056	Hemant Parashar National Institute of Technology Delhi, Delhi	<i>Effect of rotation and anisotropy on the stability of ferrofluid layer</i>
ICAFD - P057	U.S. Negi H.N.B. Garhwal University, Uttarakhand	<i>Geometry of Phase Space Structures and its properties</i>
ICAFD - P058	Revathi Gadamsetty Gokaraju Rangaraju Institute of Engineering and Technology, Hyderabad	<i>Non-Newtonian fluid film lubrication of asymmetric rollers with squeezing effects</i>
ICAFD - P059	Shyam Sunder Iyer Cochin University of Science and Technology, Kochi	<i>Effect of viscoelasticity and internal current on wave attenuation</i>
